## Non-School Uniform Day Friday 13th June

The FoBs have been working hard planning this years Summer Fair which takes place on the 20th June at 3.30pm. They are planning lots of fun activities to keep the children entertained and there will be lots of stalls and activities for the whole family to enjoy. **On Friday 13th June, we will hold a non - uniform day** in exchange for the following items:

### Elm (Yr R) and Beech (Yr 1) classes:

Wrapped/Bagged Sweets - No chocolate or loose sweets.

### Chestnut (Yr 2) & Hazel (Yr 3) classes:

Summer themed toys/games: e.g. bubbles, beach balls, pool toys, small summer games, bat and ball sets, catch sets, small water pistol, frisbees etc.

### Ash (Yr 4) Lime (Yr 5) & Cedar (Yr 6) classes:

Bottles of Wine.

Thank you for your support as always. Funds raised over the year will go towards IT equipment for the children e.g. replacing laptops for the children to use in class.

## Enrichment Week (2nd June - 6th June)

This week has been STEM Week with a focus on engineering. The week has been full of learning and exciting activities based around designing and building cars and bridges. Year R and KS1 have explored bridges and KS2 have focussed on car design and parts. All through the week, the children have been excited and inspired each day to be engineers and there has been an amazing buzz of activity around school. I will be able to show you lots of photos from the week in next week's newsletter. Watch out for lots of amazing learning and information on Class Pages too on the school website. Thank you to Mrs Olliver, as STEM lead, in organising all of the resources and activities. We have all truly loved exploring engineering techniques and seeing the children learn new things. Well done Team Bartons!

## Useful Diary Dates 2025 (All dates are on the school website)

### JUNE

9<sup>th</sup>: Year 6 Enterprise Week

11<sup>th</sup>: Messy Church at 3.30pm

3<sup>rd</sup>: Back to School. Beginning of the Autumn term.

## Yellow Class Photos

The deadline for ordering Class photos from Yellow, the school photographers is Tuesday 10th June. These photos are a lovely memento of the school year and can be ordered and paid for online. All of the information for ordering can be found on the proof which was sent home before half term.

## Medical Mavericks

Next Thursday, 12th June, Medical Mavericks will be visiting to work with Years 3, 4, 5 and 6. Through the day, there will be a variety of workshops where the children can learn about blood, the lungs and the heart and how they work. There will be practical hands-on workshops and they come highly recommended. The aim of the workshops is to inspire the next generation of medics and scientists and links to the National Curriculum for science. There is a contribution of £5 which should be paid for via ParentPay by Wednesday. The school has been able to subsidise the full cost and the children will really enjoy these activities.

*Have a great weekend! Best wishes Kate Powell*
