## Maths Week

Last week was Maths Week with the theme of 'The Crystal Maze.' It was a very successful week and the children solved a range of mathematical problems and challenges.

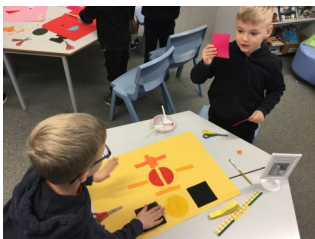

In Elm and Beech Class the children collected crystals by solving money, length and shape puzzles in the forest, farm, classroom and beach zones. Chestnut, Hazel, Ash, Lime and Cedar Class faced mathematical challenges linked to ancient civilisations. They solved fractions, calculation, shape and co-ordinate puzzles. Everyone enjoyed collecting the crystals. There were also some activities linked to '10' for Bartons 10th Birthday.

Thank you to Mrs Calton and the teachers for the work they put into organising this exciting week.
