## Children In Need Day Friday 17th November

Children in Need day is next Friday and the children can come to school in non-uniform for £1. The BBC theme, this year, is 'spot-tacular' so, the children can dress down and/or wear spotty clothes or any CIN merchandise clothing or accessories. All of the money goes towards this excellent charity. The School Council will be holding a raffle on the day with the chance of winning one of three raffle boxes with CIN prizes in them and some chocolate goodies. Tickets will be £1 each and can be bought on ParentPay.

Today, the children have been shown the prizes on offer by the School Council so we hope that they will all join in the fun by buying some raffle tickets. Thank you.

## Maths Week

Last week was Maths Week with the theme 'Maths in our everyday lives'. It was a very successful week and the children did a variety of fun activities and challenges. Here is some of the learning:

Beech & Ash class

Hazel & Lime class

## Sports for Champions

I am pleased to be able to tell you that Chloe Peplow, our visiting professional footballer, is now booked to visit us on **Monday 20th November** for our sponsored event. The morning will consist of a presentation assembly by Chloe and a physical workshop where each class will join her for some fun exercises and routines. All children must be in PE kit on that day. Please ensure that the **children bring their completed sponsorship form to school no later than Thursday 16th November** and hand them to their class teacher. We're sorry that we had to delay this event; poor Chloe sadly got injured during a football training session. She's fine and the children are really excited for her visit.

## Yellow School Photographs

Don't forget that if you want to order your child's school photo, then you have until **Tuesday 14th November** to do it by. Just follow the instructions on the 'proof' sent home last week and ensure that you use the correct codes unique to our school and your child. Delivery of the photographs is normally in about 2 - 3 weeks time. Thank you.
