## Year 6 Enterprise Week

Year 6 have been very busy this half term. Not only have they been working on their production and starting to prepare for their new secondary schools but, a few weeks ago, Year 6 organised the whole of Enterprise Week. Starting with £5 from the 'Virgin Challenge' they had to design mini industries to grow their £5 into a larger amount. Having worked hard to prepare their stalls and events for the other children in the school, the whole week was a buzz of excitement and Cedar class approached it with maturity; taking their roles very seriously. There was a great variety of stalls and the children made a whopping £1044. This project taught them valuable lessons about market research, profit and loss, planning and product design and about money itself - utilising all of their Maths skills. Well done Year 6. You broke your intended target and raised even more money than last year. Thank you to everyone for supporting.

## Summer Fair

Thank you everyone who came to our Summer Fair last Friday. It was a very busy few hours and the atmosphere was amazing. The grand total was £1154. Thank you to the fantastic FoBs members who worked really hard for weeks on making the Fair a success. We must also say thank you to Miss Camp, in the school office, who was invaluable in making everything work together. Thank you to all of the volunteers and school staff who helped to run stalls too. It was a great team effort. FoBs you are amazing as always and work so hard for us. Thank you for giving up your time and for planning such fun activities.
