Year 6 Enterprise Week and Out of Bounds Trip

Year 6 have been very busy this half term. Not only have they been working on their production and visiting their new secondary schools but, a few weeks ago, Year 6 organised the whole of Enterprise Week. Starting with £5 from the 'Virgin Challenge' they had to design mini industries to grow their £5 into a larger amount. Having worked hard to prepare their stalls and events for the other children in the school, the whole week was a buzz of excitement and Cedar class approached it with maturity; taking their roles very seriously. There was a great variety of stalls and the children made a whopping £1020. This project taught them valuable lessons about market research, profit and loss, planning and product design and about money itself - utilising all of their Maths skills. Well done Year 6. You broke your intended target and raised the most money that Year 6 have ever at Bartons. Here are some lovely photos from the week.

Following the success of Enterprise Week, the children were able to use some of the money towards a treat day at Out of Bounds in Rustington. The children had a brilliant day playing foot golf, clip and climb and the adventure nets. What a great way to finish primary school!

Peter Pan Production - Years 4, 5 and 6

Next week, the children in Years 4, 5 and 6 will perform their long awaited summer production of Peter Pan. The children and staff have worked so hard to make it another epic production. They are very excited.

The performances are:

Monday 10th at 2pm (Relaxed performance - No ticket)

Tuesday the 11th July at 2pm & 6pm (Ticket only)

Wednesday the 12th July at 6pm (Ticket only)

Please make sure you bring your ticket with you.

Please be supportive and don't bring any pre-school children to the main performances as requested. Thanks.

The children should return to school no earlier than 5.30pm on the evening performances. The production is running at about 1 hour 20 minutes and so children may be out of school on Monday and Tuesday slightly later. We look forward to seeing you there next week.

Useful Diary Dates 2023
