

# TEAM BARTONS

NEWSLETTER 35 • 24 JUNE 2022

DREAM | BELIEVE | ACHIEVE

This week has been another busy one and we have enjoyed some lovely weather. I hope that this continues, especially for our Summer fair later today. This week, Mrs Byng, helped by Brooklyn and Sophie have been sorting and putting the books into the new library. This is a huge task but it is all coming together. Thank you ladies for doing such a great job. Next week, we will send out the Jubilee commemorative gifts for the children. This will be a photo, official Jubilee book (one per family) and a key ring to keep. Look out for these on Monday.

## Sports Morning

Next Friday is sports morning. We are very excited to be able to run a normal sports day with parents this year. So, all children will need to be in P.E kit on Friday 1st July. They **MUST** wear their House T-shirt and have a named water bottle. Parents/families can congregate on the school field in the designated space following drop off in the morning. This space will be demarcated for you next to the running track. Events will start at 9.30am but parents must be seated in position by 9.15am. It will finish about 11.15am where parents will then need to leave the site. During the morning, please help us to run this smoothly so that we all enjoy it. So:

- Please do not cross the track to the children.
- Please do not stand at the end of the running track as you will be in the way and you will be asked to move.
- Please ensure that the children have sun cream applied before school.

We are very excited to be able to run this again and we hope that you will be able to join us and cheer lots for all of the children taking part. Thank you.

## House Points

At the end of last week, the House point scores were:

House	Weekly Total	Grand Total Since Sept 21
Unicorn	318	17,625
Dragon	219	16,778
Phoenix	249	16,561
Pegasus	181	16,038

Well done to Unicorn who are still out in front.

## New Outside Pond Area - plea for plant donations

**HELP!** We still have some gaps in our new pond and so if you would like to donate some plants, we would be very grateful. Thank you to Pauline and family for their very generous gift of plants for our pond. That was very kind of you. Thank you so much!

## Year 6 Residential Trip

Following the few years of disruption and uncertainty around residential trips, our Year 6 finally went to PGL at Osmington Bay in Dorset this week. Not only did they have lovely sunny and warm weather but they had the best time. This was a new venue, by the sea, giving the children different opportunities and activities to try. Mr Hayne has told me what an amazing time they have all had and we know that the children will always remember this trip. I hope that you enjoyed the photos from the week. Based on the success of this trip, we have provisionally booked next years Year 6 trip to this centre. They will go in March 2023 and there will be a payment plan set up in the run up to the trip. Thank you so much to Mr Hayne, Miss Geal and Mrs Cook for planning the trip and for giving up their own time to support the class over the 5 days. You are super stars!

## Important Dates Coming Up

30th June: Year 6 Activity Days at the secondary schools

1st July: Sports Morning at 9.30am - September class letters go out.

6th July: Year 6 Transition day to their secondary school
