DREAM | BELIEVE | ACHIEVE

Coming Soon

At Bartons, we are always looking for easy ways to raise money to buy additional resources to spend on the children to support their learning.

We have recently been in touch with the company 'Kids Just Recycle' who are an environmental company who recycle clothes and textiles. Their aim is to raise awareness of the planet and to create a brighter future for everyone by recycling clothes and textiles to reduce the amount of waste that goes to landfill and so minimising environmental damage.

They help schools raise funds for projects and equipment through textiles recycling. They provide a recycling bin on site for everyone to use and when it is full, they will empty the bin and weigh the clothes. In return, we get 40p per kilo and up to £400 per tonne. We think this will be an easy way to raise extra funds. Our bin will arrive soon and so look out for further details of how to support this initiative. Get sorting those unwanted clothes!

Safer Internet Day 2026

Safer Internet Day 2026 will take place in school on Tuesday the 10th of February with learning based around the theme 'Smart tech, safe choices -

Exploring the safe and responsible use of AI'. Everyone's talking about AI, and with many children and young people hearing about and using AI online, it's important they have the skills and confidence to make safe choices when they are using smart technology. There will be a variety of activities during the day to teach the children about how to be safe online. Children in Years 5 and 6 will also learn about the dangers of sharing inappropriate content.

Welcome New Pupils

This term, we have welcomed some new children to Bartons. Welcome to Dakota, Milo and Lulu.

We hope that you have settled in well and enjoy being a part of the Team Bartons family.

Maintenance Work On Site

From Monday, we will be having some groundworks done on site just in front of the main entrance gates. **For two days, the children should not bring their bikes or scooters to school because access to this area will be out of bounds and there will be no safe space to store them** in during the day. At pick up time on Monday afternoon and until Wednesday morning please enter and exit school through the exit gate by the playground. This will be a temporary measure whilst the works are done and the one - way system will be back in place on Wednesday all being well. Thank you for your patience at this time.

Useful Diary Dates 2026 (All dates are on the school website)

Dates for your Diary
