SUMMER READING CHALLENGE 2021

The Summer Reading Challenge will be launched by the West Sussex Libraries on 10th July at your local library. This year's theme is Wild World Heroes. To get involved, the children need to read library books over the summer and collect stickers to complete their special Wild World Heroes poster. It's fun and free to take part. Fliers will be coming home with the children and you can go to wildworldheroes.org.uk and your local library for more information. Good luck.

CLASSES FOR SEPTEMBER

The end of term is just a few weeks away and so we are now in a position to tell you which class your child/ren will be in from September. Teachers will liaise closely with each other in order to prepare the teaching and learning and the curriculum for their new class. The children will have the opportunity to meet their new teacher in the last week of term to talk about a variety of things including expectations, the curriculum and activities coming up next year. EURO 2020

I'm sure that many of you will have joined the nation in their excitement at England getting through to the final of the Euro 2020 football competition on Sunday. It will be the first time in 55 years that we have reached a major final. I know that many of the children are massive sports fans, as am I, so I am happy for there to be a late start for **those** children who want to watch the game. School will be **OPEN** for **all** at the normal time but children who watched the match can come in later. They **MUST** be in school **by 10am** though when registers will close. Keeping everything crossed... 'It's coming home!'

Have a great weekend and 'Come on England!' Kate Powell
