DREAM | BELIEVE | ACHIEVE

It's been a busy time already this half term with lots of exciting activities taking place. Last week, the children really enjoyed Book Week and loved exploring their class texts. There were so many highlights but one of the impacts has been that many of the children have been inspired to buy their own copy of the text studied and to read further books in that series or similar genres. Inspiring readers and promoting a love of reading is something that we feel passionate about. Thank you for supporting your child. Here are some photos from the week.

Parents Consultation Evenings

Thank you to all of you who came to the parent consultation evenings this week. It was great to be able to be face to face and share the children's progress with you. If you were unable to make an appointment then please talk to the class teacher to see if an alternative time or phone call can be mutually agreed. Thank you.

Spare P.E Kit

In school, we keep spare clothes and P.E kit items for when children have had a toilet accident or for when they may have fallen in mud etc. If this happens then we change the children into these spare clothes and they go home. Over the last few months, our spare clothes that have gone home have not been returned and so we now have no spare items to give to children who need them. If you have any of our items, **please could you wash them and return them to us**. Also, if you have any of the following items that you could donate to us, we would be very happy to receive them. Thank you. We need:

- Spare P.E kit, dark leggings and dark jogging bottoms
- Plimsols, girls socks and tights (smaller sizes)
- Girls & boys pants (ages 4-5, 5-6, 6-7, 7-8, & 8-9)
