Children In Need Day 14th November

Children in Need day is next Friday and the children can come to school in non-uniform for £1. The children can dress down and/or wear spotty clothes or any CIN merchandise clothing or accessories if they want to. All of the money goes towards this excellent charity. The School Council will be holding a competition with the chance of winning some prizes. Details to follow but entry will be £1.

Harvest Festival Donations

On behalf of the Bognor Foodbank, here is a thank you message to all of you that contributed to our collection.

Creepy Cup Cake Competition and Sale

A big thank you to everyone who baked and decorated their cup cakes for the pre-Halloween competition and sale before half term. We were thrilled with the effort everyone had gone to and the amount of families that came to the sale after school. In the end, we raised £217.70 which is amazing and will be used towards buying new outdoor equipment. Thank you!

Messy Church Wednesday 12th November

Please come along to our next Messy Church session run by Holy Cross Church in the hall on Wednesday 12th November after school. All children must be accompanied by an adult and will take part in stories, crafty activities and share some lovely food together. Hope you can come along.

The British Legion Poppy Appeal

Thank you for supporting the annual British Legion Poppy appeal in school. Monday is the last day to buy a poppy or any remembrance items. If you would like your child to buy a poppy or any of the other items then please bring to school the money securely in a named purse or envelope.

Parents Evening

Good to see so many of you at Parents Evening this week and to hear how well the discussions between class teachers and parents had gone. Sadly, many parents didn't turn up to their appointments and didn't let us know that you weren't coming. Please don't book an appointment and then not turn up because another parent could have used that slot. Thank you to the Maths Ambassadors for staying and showing parents their Maths skills and the kinds of things we learn in school with Numicon.

Have a great weekend! Best wishes Kate Powell
