

# TEAM BARTONS

NEWSLETTER 8 • 5 NOVEMBER 2021

DREAM | BELIEVE | ACHIEVE

Welcome back to school. I hope that you all had a restful half term break. This week, we have celebrated Maths Week and the children have relished the challenges of solving Maths problems and exploring numbers. The positive buzz around school has been brilliant to see and the children have loved the variety of exciting activities. Thank you to Mrs Lewis and all of the teachers who have planned such great lessons. Look out for photos on the class pages and tweets on our Twitter feed to see what the children got up to. This week, it was great to be able to run parents consultations again in person. Thank you for booking on our new system. We will see more of you next week too. If you were unable to book, please see your child's class teacher to see if there is a mutually convenient time for a telephone call instead.

## New Look Website and School Newsletters

I hope that you like our new style school newsletter. With the introduction of our new school motto, we wanted to redesign the style of communications that we send to you and marry up the school signs that we have around the school for consistency. This has included having new stickers, letter heads, a new school sign and even our school website has been updated with a fresh new look by eSchools. I would like to say a huge thank you to Kelly and Mike Pink who have designed the banners, new school sign, letter templates and stickers for me in their own time. We are enormously grateful and proud of how they represent our wonderful school.

Can I remind you that children should be wearing the correct P.E uniform on P.E days. Joggers and hoodies should be plain navy blue or black and NOT different colours. Please ensure that they wear the correct items.

## School Photographs

Please can I remind parents/carers that the deadline for ordering school photographs from Yellow is Tuesday 9th November. To order and pay, please follow the instructions on the proof card recently sent home to you. After the closing date, the photograph packages will arrive within 2 to 3 weeks time. Make sure you don't miss the date!

## Welcome to Team Bartons

This week, we have welcomed Indy and Oscar to Bartons. I know that you've had a good week and I hope that you will continue to be very happy here.

## The British Legion Poppy Appeal

We are, again, supporting the annual Poppy appeal in school by selling poppies and other remembrance items until next Thursday. They will be on sale in the afternoons and brought to the classes. If you would like your child to buy a poppy or any of the other items (some are priced at £1.50) then please bring in the money safely in a named purse or envelope.

## Maths Week

Here are some pictures from Maths Week. Our Chair of Governors and I spent some time in Cedar and Lime classes on Thursday and it was wonderful to see the enthusiasm and creativity in the Maths tasks in classes. Well done everyone. It has been a great week.

*Have a great weekend! Best wishes Kate Powell*
