

Year 1

Spring Newsletter 2026

Our topics for the Spring Term are 'Taking Flight' and, after half term, 'All Aboard!' We begin the term by learning about the famous inventors and aviators, The Wright Brothers and Amelia Earhart. In Geography we will be learning how to use world maps, atlases and globes to identify the UK and its countries, as well as the countries, continents and oceans of the world. After the half term break we focus on other modes of transport such as trains and bikes. In History we will be learning about how transport has changed over the years and we will be visiting Amberley Museum. For more information you can find our learning journey on the class page on the school website.

English

Our English work this term is focused on recounts and diary (non-fiction) writing, connected to the famous people we learn about in History. Our main text in Spring 1 is 'Little People, Big Dreams: Amelia Earhart'. After half-term, we will be reading 'Mrs Armitage on Wheels', where we will be learning how to write a sequel story. Alongside our writing, we will be continuing to work on our phonics skills, in order to prepare for the Year 1 Phonics Screening in the Summer Term.

Maths

Our focus this term is to really know our number bonds to 10 and 20 and to group objects in 2's, 5's and 10's to count quickly. We will be looking closely at 2D and 3D shape properties with Mrs. Low, every other Wednesday, while also developing and deepening our knowledge of addition and subtraction.

PE

Our PE days are Tuesdays and Thursdays. Please ensure that the children are wearing warm PE kit and remember to remove earrings on these days. Please no shoelaces unless they can be tied by the children.

If you have any questions, please see me in the morning/afternoon or ring the office and they will pass on any messages.

Best wishes

Mrs Hazelden, Miss Gercke and Miss Boundy.
