No. 21

4<sup>th</sup> May 2016

Dear Parents,

## Collection for Southampton Hospital

Many thanks for the generous contributions. The total raised was £2217 which was amazing. Representatives from the hospital came on Friday to receive the cheque and noted the families who had raised significant amounts of money. Thank you to everyone who sent in donations.

## Staffing News

We are pleased to welcome Mrs Oakley back to school and some of you will have already seen her in your child's class. She is now working three days a week in different classes.

We say goodbye to Mrs Davison, teaching assistant in Year 4, at the end of this week as she moves on to other areas of work. We wish her luck for the future.

## Class photos - Thursday 12<sup>th</sup> May

Class photos take place next week. Please ensure that your child is neatly dressed in school uniform with long hair neatly tied up. Please make sure that your child has their school jumper or cardigan on that day as these always look better in the pictures.

If you have any concerns or worries regarding your child please do not hesitate to contact the class teacher in the first instance or myself or Mrs Gordon.

Yours sincerely

Mrs. M. Daley  
Headteacher
