

# Team Bartons

## Bartons Primary School Newsletter 8 3rd November 2017

Welcome back to school and I trust that you all had a lovely half term. For once, the weather was kind and I'm sure that you were able to get out and about. On Monday, it was nice to see the children all looking rested and happy to be back at school ready for Maths Week. During the week, the children have taken part in lots of Maths activities and the buzz around the school has been one of excitement. Thank you to all of the staff who have planned the creative activities for the children; they have really enjoyed it.

### Bags2School Collection

Thank you to everyone who brought in bags of clothes and other household items for the Bags2School collection. We had lots of donations and in return we will receive a cheque for £184.80 that will be used for buying new resources for learning. We hope to do another collection in the summer as it has proved to be so successful. Thank you so much. The money will go towards much needed equipment.

### Class Assemblies

This week we have celebrated two class assemblies. Well done to Hazel and Oak classes for sharing their work with the school and parents. It was so lovely to see how more confident the children are and how proud they are of their work and achievements. They have been a lovely start to the half term.

### School Photographs

This week the proofs of the school photographs were sent home. Please return all orders and payment by Tuesday 14th November to your child's class teacher or the school office.

### Welcome

This week we welcome Maisy to Beech class. I hope that you have enjoyed your first week and that you will be very happy here.

### Year 6 Residential to Marchants Hill

Next week, Cedar class will spend the week at the PGL outdoor activity centre at Marchants Hill. This is the first ever residential trip at Bartons and so we would like to wish them all, including the staff who are going, a brilliant time. Please come back in one piece - staff too!

### New Governors

I am pleased to welcome three new Governors to the Governing Body. Welcome to Chris Barratt and Tracey Jehu who are new Parent Governors and to Vivienne Argent who is a Community Governor. They join a dedicated and enthusiastic team of Governors who work very closely with the school. We are still seeking a Clerk to the Governing Body and so if you are interested in this part-time paid role then please ask at the school office for further information.

### Remembrance Poppies

Poppies and other items for remembrance are now on sale in school. They will be taken to each class daily so if you would like your child/ren to have one then please send in your donation in a named purse or envelope.

### Elm Class

This week, a photograph of our new Reception class are featured in the 'starting school' section of the Bognor Observer newspaper. This is a lovely memento and marks an important milestone for parents. Make sure that you get a copy to keep!

### Film Night

Thank you to everyone who came to Film Night last term and to all the helpers. We raised £278.20 which is a brilliant total.
