

# Team Bartons

## Bartons Primary School Newsletter 30 25th May 2018

This week sees the end of a busy half term where the Year 2 and Year 6 children completed their end of Key Stage tests, we have had Maths Investigation day, Outdoor Learning day, the children have been on trips,

we have met a variety of visitors to enhance learning and we have been given a new piano. Next half term, we have many more exciting things to look forward to including the summer KS2 production, sports day and the summer fair. Next week is half term and so enjoy the bank holiday weekend and some much needed family time. The children return to school on Monday 4th June.

### Chartwells School Meal Service

We have been sent the following message from Chartwells; the school meal service provider. Please can parents read this message. Thank you.

### School Council Cake sale and Film Night

Thank you to everyone who donated cakes for the School Council sale and for those who came to the Film Night. I will let you know more details after half term.

### GDPR

I am sure that you are aware that the current Data Protection Law 1998 is changing to the new General Data Protection Regulation on 25<sup>th</sup> May 2018. These changes affect all companies including schools and therefore we have devised a new and updated privacy notice, to keep you informed of the information we hold on you as a parent/carer and on your child. Fundamentally, the new regulations do not alter the information we hold or collect, or how we use it, but they do change the emphasis to make it fair for all involved. The privacy notice is available to view on our school website in the 'Parents' section under the GDPR heading. If you have any questions then please don't hesitate to contact the school office or school Data Protection Officer.

### Summer Fair

This years Summer Fair is fast approaching and the planning has already started to make it the best one ever. The Friends have started approaching companies for raffle prize donations but if any parents work for a company who would be kind enough to donate a quality top prize then we would love to hear from them. Any donations are gratefully received and we would publicise the company as a way of thanks.

### Class Photos

This years class photos are now available to view and order. If you would like to order one then please do so by Tuesday 5th June. Thank you.

### Nail Varnish and Jo-Jo Bows

Can I remind parents/carers that children should not be wearing any nail varnish or jewellery to school. We are noticing that more younger children are wearing nail varnish when this is not allowed. Please ensure that any nail varnish is removed before school. As was the trend last year, more girls are wearing large Jo-Jo bows to school. Whilst the bows are pretty, they do not complement our school uniform so please save them for the weekends. Many girls have small hair bows that match the checked summer dresses; these are fine. Thank you for your co-operation.

### Athletics Club

After half term, we hope to be able to run an athletics club with the support of Sports Leaders from School Sports Partnership. I had hoped to give you details but this hasn't been finalised yet and so I will after half term.

*Have a great half term! Best wishes Kate Powell*
