## STEM Club Trip to Goodwood Festival of Speed

Yesterday, the Year 6 STEM club were fortunate to visit the Goodwood Festival of Speed. Not only did they see amazing cars but also fast cars and rally cars racing, futuristic flying cars, robots, interactive technological games, had a go on a climbing wall, went on a tractor, did a radio interview, talked to a real astronaut from NASA who had been to space and lots more. The children were so well-behaved and loved every minute. Thank you to Mrs Olliver who organised the brilliant day and to Mr Barratt and Miss Gregory too.

I loved the day and spending it with this crazy bunch. ❤️

## Chestnut Class Smugglers Trip

On Wednesday, Chestnut class went to Felpham to find out all about smugglers. They did a scavenger hunt and explored the local area where the smugglers used to operate. Well done Chestnut class.

## Peter Pan Production - Years 4, 5 and 6

This week, the children in Years 4, 5 and 6 performed Peter Pan. It was a musical extravaganza and each of the 4 performances were an absolute triumph. The children had been working so hard over the last few months and that hard work definitely paid off. All of the children, no matter, their role, worked

together so well and we were proud of every single one of them. Whilst they were all amazing, there were some stand out performances. These were from Jenson, Nikita, Lydia, Cindy and Jay. Thank you for all of your support - the costumes and singing was amazing. Huge thanks to all of the school staff for making it happen: Mrs Olliver, Mr Jeffries, Mrs Lewis, Miss Geall, Mrs Hollomby, Miss Ward and Miss Gregory. What a team you all are. Thank you!

## Trees in the Park

On Thursday, we had a call from a local resident to complain about Bartons children climbing and damaging trees in the park by the school near to the Trim Trail. Mr Cook did have a look at the trees to check for any damage. Please would parents keep an eye on what their children are doing in the park. The children were in Bartons school uniform and we wouldn't want to get a reputation locally that our children don't have respect for the local area.

**Have a great weekend! Best wishes Kate Powell**
