Sports Morning - Friday 27th June

Next Friday is sports morning. So, all of the children will need to be in P.E kit. They MUST wear their House T-shirt, hat and have a named water bottle. Parents/families can congregate on the school field in the designated space following drop off. This space is next to the running track. Events will start at around 9.20am and finish around 11.15am, then parents will need to leave the site.

Parents please be in position by 9.15am and help us to run this smoothly so that we all have a great time. Please:

- Do not cross the track to the children.
- Do not stand at the end of the running track as you will be in the way and you will be asked to move.
- Ensure that the children have sun cream applied before school.

We all really love our inclusive sports morning and we hope that you will be able to join us and cheer lots for all of the children taking part. See you there!

Year 6 Enterprise Week

Year 6 have been very busy lately. Not only are they working on their production and starting to prepare for secondary school but, last week, they organised Enterprise Week. Starting with £5 from the 'Virgin Challenge' they had to design mini industries to grow their £5 into a larger amount. Having worked hard planning their stalls and events for the other children, the whole week was a buzz of excitement and Cedar class approached it with maturity; taking their roles very seriously. There was a great variety of stalls and the children made a whopping £1076.62. This project taught them valuable lessons about market research, profit and loss, planning and product design and about money itself - utilising all of their Maths skills. Well done Year 6 and thank you to Mrs Olliver who guided and helped the children so well. Thank you also to Year 6 parents for supporting their children and for the whole school in supporting the annual event. What a great Team Bartons effort.

Ivy Receives her Young Parishioner of the Year Award

You may remember that a few months ago, Ivy in Beech class, made the brave decision to donate 12 inches of her hair to help children undergoing cancer treatment. Her hair would be used to make a wig. Her goal was to raise £700, the cost of creating and fitting one real-hair wig for a child. Thanks to the generosity of supporters, Ivy has already surpassed this target, raising £1,225 and Ivy is aiming to reach £1,400 to fund two wigs, doubling the impact of her heartfelt gesture. Here is Ivy, receiving her Young Parishioner of the Year award by Bersted Parish Council, in recognition of her incredible fundraising efforts for The Little Princess Trust. She is the first ever recipient of the "Young" version of this prestigious award. Well done Ivy. This is wonderful to see and we are all very proud of you. Thank you to the Parish Council for recognising Ivy's incredibly kind and generous gesture.

Have a great weekend! Best wishes Kate Powell
