Bartons Primary School Newsletter 38 19th July 2019

Today is the final day of the academic year and as I look back on the whole year, I am proud of what the children and staff have achieved and how the school has developed further in all areas. It has been a very busy year and the school is in great shape; we are all striving for excellence in everything that we do. The school continues to go from strength to strength and our future is very bright.

This afternoon, we send Year 6 off on their next adventure ready for secondary school. We wish you lots of good luck and we want you to believe in yourselves. Year 6, you have made us really proud. We were thrilled with your SATs achievement and you have been great fun to work with. You were brilliant House Captains and amazing tour guides for visitors so thank you for just being you. I hope that you will look back on your time at Bartons with happy memories and we will miss you all.

I would like to say thank you to all of the staff in each of their roles. They are the most hard working talented people who love working with your children; they have all made a difference.

Thank you to the Governors who have also worked extremely hard to support me and the school in moving forward. We certainly have done so.

Finally, thanks to all of you who have supported the school and events this year. We couldn't do things without your support and through the Friends and volunteers, all of you help us to make things happen. Thank you for all the generous gifts and cards on this last day. It means a lot to us all and we are so grateful to know that we have your support. Have a great summer everyone. Have fun, please be safe and get lots of rest and remember Go Team Bartons! Thank you everyone.

Samba Assembly

This week, Ash class impressed us with their samba performance to the school and parents. It was an enthusiastic performance with not an instrument out of time. We were really proud of them and they were brilliant. Well done Ash class. I know you have really enjoyed it.
