Summer Production: Oliver

It was an amazing production with fantastic performances from everyone, no matter their role or part.

This year, the singing and solos were West End Theatre standard and you could tell that the children loved every minute. Enormous thanks to Miss Gregory and Ms Geall for the amazing scenery and props they made. Thank you to Mrs Reynolds, Mr Jeffries, Mr Marsden and finally Mrs Olliver for directing the whole production. It was another great success!

This week, the children in Years 4, 5 and 6 performed their summer production of Oliver to a packed house.

Goodbye

Next week, we will be saying goodbye to Miss Boundy who will be leaving us to go to University. Miss Boundy has worked as a teaching assistant with us for two years. We will miss her very much but we know that she is going to make a brilliant teacher.

Area Athletics 2026

Last week, the athletics team made up from children in Years 3, 4, 5 and 6 attended the Felpham and Bognor schools athletics competition. Locally, this is a big event with 9 schools competing against each other. Every year, the children compete in a variety of track and field events. We are one of the smallest schools taking part and, every year, we have been determined to gain more total points and to move up the final placings. Miss Yardley and Mr Jeffries ran athletics club all term and coached the children really well. The children didn't let us down and took part in the various events at the competition. Yet again, the sportsmanship shown was excellent and everyone did their best. This year, we were thrilled to finish 8th; one more place up from last year in the final standings. We also gained more points than before and were close to the 7th placed school. Well done everyone! Thank you to Miss Yardley and Mr Jeffries for coaching the children and to Mrs Olliver, Mrs Reynolds and Mrs Tarrant for helping on the day.

Have a great weekend! Best wishes Kate Powell
