DREAM | BELIEVE | ACHIEVE

It finally seems like summer has arrived and it has been lovely to see the children outside playing on the field at break times once again. As it says here, please remember to send the children in prepared for the stronger sunshine with a named sun hat, a water bottle and sun screen from now on.

On Monday, we celebrated Outdoor Learning Day and the children took part in lots of lessons taught outside. The activities ranged from a local walk, outdoor writing inspired by the environment, creative handwriting, leaf rubbing, solving Maths problems and adventurous WWO. The children had so much fun and there was a very positive vibe around the school all day.

The Summer Fair

All term, the FoBs have been working hard planning the Summer Fair which takes place on the 23rd June at 3.30pm.

They are planning lots of fun activities to keep the children entertained and there will also be some new stalls and activities for the whole family to enjoy. Watch this space because more information will be released over the next few weeks and as we get closer to the date.

On Friday 16th June, we will hold a non - uniform day and in return please could you send your child in with the following items:

Elm and Beech classes:

Bagged Sweets - but no chocolate thank you.

Chestnut & Hazel classes:

Stationary or new and unopened Arts and Crafts sets.

Ash, Lime & Cedar classes:

Bottles of Wine .

Thank you as always for your great support.

Sun Cream, Sun Hats and Water Bottles

Now that the warmer months are here, please can parents/carers please ensure that the children have a named water bottle and named sun hat in school to ensure that the children stay hydrated and are safe, at break times, in the sunshine. The staff will remind the children to drink throughout the day. It will also be beneficial for the children to have sun cream applied at home before school and to have some with them in school, that they can apply themselves. Sadly, staff are not allowed to put sun cream on pupils so you might consider getting a sun cream that has long lasting sun protection throughout the day. Please note, children cannot share sun creams with friends brought into school. Thank you very much.
