BARTONS PRIMARY SCHOOL STATEMENT

	<p>We still consider the safety of the whole school community very important. As such our expectation is that:</p> <ul style="list-style-type: none"> • If a pupil or staff member tests positive for Covid-19 or has the symptoms of a respiratory infection, then they need to stay at home and avoid contact with others for at least 5 days. • As for all illnesses, children and staff should only return to school, once they are well. • An LFT device is useful to confirm a positive case. • Staff, parents and carers should continue to tell us if they or their child has coronavirus. • The school has to report the number of cases in schools to the DfE weekly and so this helps support the tracking of any significant outbreaks in schools.
