No. 25

Dear Parents,

Here we finally are at the end of a very long and eventful term. The children have worked very hard and we are very proud of their achievements this year. I would also like to thank all of the staff who make Bartons such a happy and caring place and wish them a very well-earned holiday. A very big thank you to all parents for your kind thoughts and wishes and the cards and presents that I have received - I have been very touched by them all. In addition I know that parents contributed to a collection and I received National Trust membership which is a brilliant gift. I shall really enjoy visiting all of the places that I have not had time to see in the last few years. So thank you to everyone and I will think of you all during my many visits. I have enjoyed being head of Bartons and I know that I will miss so many things but especially the children and I wish them all the very best for the future.
