30th November 2018

This week, it was the turn of Lime Class to showcase their learning in their class assembly. The children shared facts and information about their space topic and showed excellent knowledge and confidence when presenting their learning. Well done Lime class. It was great to see and I even learnt something; who knew that an astronaut was the first person to take tortillas into space!

Girls Football Tournament

On Tuesday, the girls football team attended the locality girls football tournament at The Regis. Our team is quite a new team and the girls were up against some very experienced teams. Mr Starr was really impressed with how well they worked as a team and, in the rain, they did not give up. The girls worked hard and came third out of ten schools which is a brilliant achievement. Well done to Lydia, Katie, Vienna, Summer, Alexis, Caitlin, Jazzy and Rosie. We are very proud of you.

Welcome

A very warm welcome to Nikita who has started Bartons this week. We hope that you have enjoyed your first few days and we hope that you will be very happy at Bartons.

We will be sending this off soon so if you have any further sponsor money then please send this into school as soon as possible. Well done everyone; this is one of the highest totals collected that I have ever seen in a school.
