

# TEAM BARTONS

NEWSLETTER 39 • 20 JULY 2022

DREAM | BELIEVE | ACHIEVE

Well, we have finally reached the end of term and the end of the academic year.

It has been a mixed up and down year with many of us being unwell with Covid but school has stayed open and actually we have all come through really well. The team spirit of Team Bartons is stronger than ever and as a family, we have supported one another.

Thank you for all of your support and care through the tricky times and on behalf of all of the staff, thank you so much for all of your good wishes, cards and gifts at the end of term. They are always truly appreciated.

Thank you to the FoB's for giving so much of their time and for planning the best events for our children. They are very special people. This week they organised treats for the children. The children loved the magic show and the film with popcorn/candy floss on a massive screen.

Thank you to the Governing Body who work hard behind the scenes to ensure that Bartons is the best it can be.

Enormous thanks to all of the staff for their amazing work throughout the year. We are a close knit team and we are the BEST team. All of the staff, no matter their role, work so hard for the good of the children. Bartons is a special and very happy school.

There are always a few goodbyes to say. Good luck to Mr Hayne, Miss Grimsey and Mrs Shaw who are moving onto new pastures. Goodbye to Kuba and Tymo who will be moving back to Poland in September and goodbye to our wonderful Year 6 who are going to secondary school in September. Year 6 you are all ready to go into Year 7 and we know that you have all of the values and skills of Team Bartons that will see you right in school and in life. Stay in touch and enjoy the break. We wish you all the best in the next chapters of your lives. Happy Holidays  everyone. Stay safe and have lots of fun.

## Update

Thank you for all of your support this week when finding out about the vandalism to our canopy last week. The positive support has shown how outraged the whole community are. The police have lots of information and are investigating. Huge thanks to Stuart Edwards for setting up a GoFundMe page to raise money to replace the canopy. This has already raised a significant amount. Thank you all so much !!!!!!!!!!!!!
